1 EDA Files

1.1 Integration studies

1.1.1 Gates_MORDOR Study

- ***Study Process Description.*** MORDOR study **has been released in B62**, this study has been done with all reloading files. The biggest issue before official release is about the inconsistent number that was raised by study team, the outreach team fixed the number and received the release consent from study team.
- ***Files Location in Dropbox.***
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.2 Gates_AVENIR Study

- ***Study Process Description.*** AVENIR is ongoing study, the study has been updated based on the latest datasets that were provided by study team, and all pre-loading files (Conversion file, valueMap and idMap) have been updated and currently the study is in the line of loading.
- ***Files Location in Dropbox.***
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.3 Gates_Namibia

- ***Study Process Description.***
- ***Files Location in Dropbox.***
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.4 Gates_JILINDE

JILINDE series study contains 10 + studies. Currently, the 6 studies has been done or partially done for their pre-loading files. Including conversion file, valueMap, idMap, as well as owl files. The rest of studies have not started based on the previous study loading plan. The processed studies and their prioriy ordre are list below:

Table 1: JILINDE Studies List

ID	Study Name	Status	Priority
1.	gates_jilinde_demand_creation_evaluation_questionnaire	WIP	3
2.	gates_jilinde_healthcareprovider_cohort	Done	1
3.	gates_jilinde_pe_chv_cohort	WIP	2
4.	gates_jilinde_retrospective_survey	WIP	4

Below is the details of study process status for each JILINDE study:

1. JILINED_Prospective_Cohort_Study

- ***Study Process Description.***

- ***Files Location in Dropbox.***

- Study meeting notes:
- Study page:
- Other study docs:
- Rmarkdown for study integration:

2. JILINED_Cost_Cross-Sectional

- ***Study Process Description.***

- ***Files Location in Dropbox.***

- Study meeting notes:
- Study page:
- Other study docs:
- Rmarkdown for study integration:

3. JILINED_Healthcare_Cohort

- ***Study Process Description.***

- ***Files Location in Dropbox.***

- Study meeting notes:
- Study page:
- Other study docs:
- Rmarkdown for study integration:

1.1.5 GuatemalaA_Cohort

- *Study Process Description.*
- *Files Location in Dropbox.*
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.6 ICEMR_Peru_Cross-Sectional

- *Study Process Description.*
- *Files Location in Dropbox.*
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.7 Gates_LLINEUP25_Cluster_RCT

- *Study Process Description.*
- *Files Location in Dropbox.*
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.8 ICEMR_Peru_P3

- *Study Process Description.*
- *Files Location in Dropbox.*
 - Study meeting notes:
 - Study page:
 - Other study docs:
 - Rmarkdown for study integration:

1.1.9 SIP

- *Study Process Description.*
- *Files Location in Dropbox.*
